Emmanuel Hospital Association (EHA) is a fellowship of Christian institutions that exists to transform communities through caring, focusing primarily on the poor and the marginalized. We care through provision of essential clinical services through our hospitals, empowering communities through health and development programs, spiritual ministries and leadership development across more than 40 locations in the country, with a geographical focus on North, Central and North East India.

We are looking for applications/nominations from an outstanding Indian Christian and experienced visionary leader to lead EHA across the country, to be a model of healthcare provision, capacity building, and caring for the marginalized. Nominations will have to be with the consent of the nominee. Both application/nomination form and detailed requirements can be obtained from the email address given below.

The successful candidate should have at least have fifteen years of experience of operating in a large or significant sized hospital/organization at a senior level, experience of working in a cross cultural context, possess a strong grasp of business development and financial management, have a good understanding of the current health, socio-political, economic and cultural issues facing India and trends in health care and development, and the ability to incarnate Christian values into both personal and work as an inspiration and model to others.

Major Criteria:

1. Christian by faith and committed to Missions, who can take forward the Vision and Mission of EHA.
2. Preferably Medical Doctor with at least 15 years of experience in health care and relevant leadership experience.
3. If non-medical with appropriate management background with at least 15 of experience in health care and relevant leadership experience.
4. Age between 45 to 55 years.
5. Committed and willing to complete full term of five years as Executive Director.
6. Suitable person can either be from internal (within EHA) or external organisations who meets the above criteria.

The successful applicant will be responsible to the Board of Directors of EHA and will seek to innovate, direct, promote and manage the activities of EHA, and provide leadership. The position will be based in New Delhi and will require significant travel. Salary will be commensurate to the scale for the post.
